Hebron Montessori News

November 2026

Fall is “in the air” and the students are enjoying observing the seasonal changes. This is a wonderful time of the year to enjoy the outdoors with your children. As you take walks or go to the park, focus on the beauty of the changing colors of the leaves.

Thanksgiving Luncheon

This year we will have our Grandparents Luncheon. This is a special day for all grandparents and their grandchild/children to eat together at Hebron Montessori School on Friday, November 20th. We will send additional information closer to the date. Parents can sign up to bring decorative paper plates, napkins, cups, and other decorative items for their child’s classroom luncheon. We will have a sign-up sheet as in previous years. (Located at the front desk)

Dates to Remember:

Fri - Mon 12/24 – 12/25	Christmas Holiday **School Closed!**
Fri -Mon 12/31 -1/1	New Year’s Eve **School Closed**!

Classroom Updates:

Green Room

November is here, and our children are enjoying fun seasonal activities! We will celebrate Native American Heritage Month with stories such as *Corn Is Maize* and *Many Nations*. The children will enjoy Veterans Day activities on November 11, celebrate National Pickle Day on November 14, create turkey art, and listen to Thanksgiving stories. We will also harvest the last of our cantaloupe from the garden!

Blue Room

In our Infant Program, our little ones will explore the season of fall by learning about Thanksgiving, colorful leaves, and the beautiful colors of autumn. Through fun, age-appropriate sensory activities, our infants will begin discovering the changing colors of leaves while enjoying seasonal experiences that encourage curiosity and exploration.

"The hand is the instrument of intelligence."
Maria Montessori

Red Room: "Stepping Stones"

This month, we will explore the beautiful colors of fall, discover colorful leaves, and learn about the changing season. We will continue working with Montessori materials, practicing practical life skills, and learning Spanish during circle time.

As we celebrate Thanksgiving, we will focus on gratitude and create fun art projects to share what we are thankful for.

Wishing all our families a wonderful and Happy Thanksgiving!

Yellow Room

As we step into November, let's continue to nurture the growth of our students. November is also a time to reflect on our blessings and achievements. We will be learning about fall leaves, family, and thankfulness. We will be reading stories that focus on kindness, sharing, and gratitude. The children will have a chance to share what they are thankful for and work on crafts. November is also a wonderful time to slow down and reflect on friendship, teamwork, and helping hands — values we will be practicing in the classroom.

Spanish

In Spanish we are reviewing colors, numbers, and shapes, parts of the body, fruits, and vegetables. For the fall season we will learn words such as acorn [la bellota], leaves [hojas], and pumpkin [Calabaza].

Happy Thanksgiving

"Feliz dia de accion de gracias."
